BULLETIN

APRIL 1991

PRESIDENT'S MESSAGE

It's already April and time to get our Falcons out on the streets again.

I have had some questions about our insurance, so I would like to let you know that our FCA National Insurance only covers FCA dues paid members at our local, regional, and national FCA meets.

If any of you have any input for the FCA please let me know, so I can get it into a format for presentation at the next Board of Directors meeting and the National Business Meeting in Oklahoma City at our National meet.

The Chapter secretaries need to send your chapter reports to the Editor so we can all enjoy and learn more about what your chapter is doing. I have been receiving newsletters from some of the chapters and it would be nice if you shared some of your Tech Tips, etc. with the National publications.

If you live in an area where you can attend a Regional meet--GO--you will enjoy these events.--Jim Hatcher, FCA President

VICE-PRESIDENT'S MESSAGE

April already! August must be tomorrow! You can bet that is close to what all the Sooner State Chapter is thinking as they prepare to host the 12th National FCA Convention to be held in Oklahoma City, August 8, 9, 10, 1991. You can be assured that the plans they are making include YOU AND YOUR FAMILY; so please, if at all possible, plan to attend this year and make it one to remember.

Way back in February, I had the opportunity to attend the Sooner's "kickoff" meeting and planning session for this year's convention. From personal observation, I can tell you all that this chapter is blessed with strong leadership and 22 dedicated members. Sooner President David Elledge has led this chapter to accomplish in two years what would seem impossible to many. In the first year of existence, they put on a great Regional meet in Tulsa and now will be hosting a National. QUITE AN ACCOMPLISHMENT!

Dave has allowed me to share with you a few of the many plans for this year's National Convention. There will be many other activities--this is just a small sample.

The site for this year's convention is the Marriott Hotel, in Ok.C. The hotel is easily accessible from all directions and is in close proximity to many restaurants. It is a nice facility with ample parking. One note to the wise, "bring your own shade cause there ain't none there." There will be 20 classes this year, as in St. Louis. A total of 65 awards will be presented at the banquet. Door prizes will be awarded during the day, in order to shorten the awards ceremony. Several games for the children (both sizes) are planned during the three day activity. Presently two tours have been tentatively planned--one to the Cowboy Hall of Fame, and the other to one of the nation's largest automotive parts rebuilders. For your convenience, many Falcon parts vendors will be present, plus there will be spaces available for you to sell your car or parts.

The Sooner State Chapter is working to make this National Convention the best ever. To accomplish this enormous feat, they invite YOU AND YOUR FAMILY to come and be a part of all the activities and participate in the decision making that will shape the FCA for the future. I hope to see you ALL there!!!!!! Love ya all.--Marty Martin, FCA Vice-President

SPECIAL REPORT

CHAPTERS

THE LONE STAR CHAPTER attended the Fort Worth Car Show in March, held at the Will Rogers Center. The chapter is planning to hold a Regional Meet in May or June of 1992.

THE MASON DIXON CHAPTER held its annual dinner at The Red Barn Restaurant in Glasgow, DE on February 16. 43 members and guests attended, making this the most well-attended dinner meet so far. We had excellent food, great service, and, best of all, a great time talking about Falcons! We formed an election committee to be headed by Bob Adams, discussed the upcoming season's schedule, held a 50/50 drawing which Jim Larkin and Frank Sellare shared, raffled a History of the Motor Car book which Libby Wilson won, introduced new members, and Rick Foxes wife told us of a process she can do which puts our club logo on shirts or what have you. Before our dinner meet we met at The Wrangle Hill Antique and Classic Car Museum. It had about 60 great cars, but unfortunately Falcons are not yet represented. We inquired about that and found that subject to the Museum's approval they take in vehicles on a minimum of 30 days duration. Also, there is no charge and they do maintain and run the cars on a periodic basis. Thanks to everyone for participating in the museum visit and dinner. And a special Thank You to Glenn Stewart for setting up the dinner and to Bob Adams for suggesting the museum visit prior to the dinner--it was a nice touch.

THE RIVER CITY CHAPTER reports that Jim Notman has become the editor of the chapter newsletter. The chapter is busy in completing planning for the Pacific Regional Meet to be held in June.
